

## Toocki Charging Cable A-C, 1m, 66W (Black)

Toocki Charging Cable A-C, 1m, 66W (Black)

Ref: 6976018372771

Toocki Charging Cable A-C, 1m, 66W (Black)

Charge your devices in significantly less time. The Toocki USB-A to USB-C cable provides a power output of up to 66W and a current of up to 6A. It's also equipped with a small display and is highly durable - no need to worry about quick damage. The product also allows for fast file transfers at speeds of up to 480 Mbps.

### Impressive Performance

Forget about waiting for your devices to be ready for action. The cable offers a power output of up to 66W and a current of up to 6A, allowing you to quickly charge your chosen device. You can also check real-time charging power at any moment - just glance at the built-in display.

### Fast File Transfers

Do you frequently transfer files between devices? The Toocki cable will come in handy for that as well! The product provides a transmission speed of up to 480 Mbps, enabling you to quickly copy your photos, videos, or documents. Say goodbye to lengthy waiting!

### Refined in Every Detail

The cable is equipped with transparent elements made from durable PC material, giving it a stylish and modern character. The

high-quality wire ensures reliable data transmission, while the nylon braid prevents damage and provides resistance to bending. Additionally, the built-in chip guarantees stable current during charging, protecting the batteries of connected devices.

#### Broad Compatibility

With the cable, you can easily charge various devices. The product is compatible with smartphones, tablets, and laptops from well-known brands, among others. It will also work with power banks, desk fans, small lamps, wireless speakers, and more.
