Ref: 6976340772515

Wall Charger 25W PD Ricomm RC251 EU, 1xUSB-C + 2.1m USB-C Cable

Wall Charger 25W PD Ricomm RC251 EU, 1xUSB-C + 2.1m USB-C Cable

Charge your devices in the blink of an eye. The Ricomm RC251 charger provides up to 25W power and supports various fast charging standards. Equipped with a USB-C port, it stands out with its lightweight, compact design that can accompany you almost anywhere. The package also includes a 2.1m USB-C cable.

Fast Charging

No need to leave the house soon with your phone about to die. Don't worry - with the Ricomm charger, you can quickly charge it. The RC251 model distinguishes itself with up to 25W power and supports fast charging standards like PD3.0, QC3.0, FCP, PPS, and Apple 5V2.4A. In just a few moments, you can recharge your smartphone or tablet!

Safety First

The charger not only enables fast but also safe charging. It comes equipped with reliable protection against overheating, short circuits, overcurrent, and overvoltage. Constructed with flame-resistant PC material, all of this contributes to its exceptional durability and resistance to damage!

Lightweight and Portable

Planning a vacation? Or maybe you have to go on a business trip? Bring the charger along and enjoy the convenience of quick charging your essential devices even when you're away from home! The RC251 model weighs just 42g, and its dimensions are only 81.5 x 42 x 29 mm - it won't take up much space in your bag, backpack, or suitcase.
