

BOBOVR B2 Battery Pack

BOBOVR B2 Battery Pack

Ref: 6937267000204

Additional BOBOVR B2 Battery

Are you in the middle of an exciting game and your VR goggles are running out of power? Don't stop - just use the spare battery, gaining 2 times more time for your favorite virtual activities. BOBOVR B2 battery dedicated to the Quest 2 goggles (also fits Quest 1). Equipped with light indicators, it provides real-time information about the charging status, and thanks to the magnetic connector, it fits perfectly to the BOBOVR head strap, allowing you to perform dynamic movements unhindered, without worrying about losing connectivity with the base.

Safe charging

Once charged, the battery provides power for 2-3 hours. You'll easily refill it in as little as 3 hours using the USB-C cable you'll find in the package. It's equipped with a number of safety features to protect against common electrical hazards, such as short-circuiting, short-circuiting, and overheating, so it will effectively power your goggles for longer.
