Thermal labels Niimbot stickers 12x40 mm, 160 pcs

Niimbot thermal labels stickers 12x40 mm, 160 pcs

The set includes a roll that allows you to print 160 pieces of 12 x 40 mm labels. It is dedicated to Niimbot D/H1S series thermal printers. It will be useful for printing prices, expiration dates, QR and EAN code, emoticons, serial number, table and much more. The animal sticker design makes the labels look even more interesting.

Resistant to wear and tear

The labels were created from high-quality paper. They are resistant to high and low temperatures. They are durable, do not wear out and perform their function for a long time. You will successfully use them on containers with boiling water or containers with frozen food. Label without limits.
