

Thermal labels Niimbot stickers T 15-7.5(Pink)

Thermal labels Niimbot stickers T 15-7.5(Pink)

Ref: 6975746634250

Ethermal stickers Niimbot stickers T 15-7.5 (Pink).

T15-7.5 thermal stickers for the Niimbot H1S printer. They are designed to be durable and resistant to moisture, oils and scratches, making them ideal for labeling everything you need.

A sustainable choice

The paper used for these stickers is eco-friendly and safe to use. This is especially important when dealing with labels for food products or for use in the workplace. With the Niimbot T15-7.5, not only do you gain the ability to organize your environment, but you do it in a sustainable and responsible way.
