Puluz PU639 bracket holder for tablets

Puluz PU639 is a buckle holder for tablets from 16 to 24cm which means it fits devices from 7.9 to 11 inches. It is compatible among others with Apple iPad mini 6, Air 2, Pro 9.7 inches, Samsung Galaxy Tab 8.4, Tab S2 8, Tab S2 9.7, etc. You can screw the holder to a tripod or other tripod thanks to the internal $\frac{1}{4}$ thread and place your tablet in it to comfortably watch videos, chat with family and friends, type with a Bluetooth keyboard, record videos, etc. What's more, the mount has a cold shoe thanks to which you can attach a microphone, lights or an adapter to another device.

Durability

Made of durable ABS material, the Puluz PU639 mount guarantees durability and sturdiness so that you can use it for as long as possible. It has been designed so that you can freely pursue your projects without worrying about possible damage.

Compatibility

Due to the simplicity of its design and the ability to change the width of the mount, it is a great accessory that fits a great many devices no matter what brand they are. The PU639 will work well with devices that are 16 to 24cm wide or 7.9 to 11 inches diagonal.

Great possibilities

The Puluz PU639 bracket mount for tablet gives you great possibilities thanks to its cold foot. With this feature, you can easily attach a microphone, a light or an adapter to allow you to mount another device that can improve the quality of your content or expand the capabilities of your tablet. Write, play, talk, record, work, play as you like!
