

## Speakers SVEN MS-2051, 55W Bluetooth (black)

Ref: 6438162014988

Speakers SVEN MS-2051, 55W Bluetooth (black)

SVEN MS-2051 Speakers, 55W Bluetooth (black).

Discover exceptional sound quality and versatility in one - the SVEN MS-2051 speakers feature impressive acoustics that are perfect for a variety of music. Covering a wide range of frequencies, the speakers provide realistic and detailed reproduction of both classic and contemporary songs. Thanks to the large-diaphragm 5.5-inch woofer, you'll experience rich and deep bass, while the dual-band satellites reproduce even the most subtle midrange and treble details. The speakers also feature a stylish design that makes them fit into almost any setting.

### Listen freely - Bluetooth

Equipped with wooden enclosures, the SVEN MS-2051 speakers emphasize sound quality, creating the perfect environment for listening to your favorite tunes. To make it easy to use, this model offers multiple connectivity options. Thanks to the Bluetooth module, connecting a smartphone or tablet becomes quick and hassle-free. This is perfect for lovers storing their favorite songs on mobile devices. You can enjoy a solid connection over a distance of up to 10 meters.

### More playback options

SVEN MS-2051 speakers are a real treasure trove of options when it comes to a variety of audio sources. In addition to the standard Bluetooth function, these speakers also allow you to play music files from flash drives and SD cards. This is perfect for those with

extensive music collections in various formats. In addition, the built-in FM radio allows you to listen to your favorite radio stations.

#### Convenient operation

Now you can enjoy not only excellent sound quality. SVEN speakers provide the user with intuitive and convenient operation. Equipped with an LED display, they allow you to keep track of the current time and settings, further enhancing your use. There is a volume control knob on the front panel, but to make operation even easier, this model is equipped with a remote control. With it, you can adjust the volume, select the sound source and control various functions without having to approach the speakers.

#### Wall-mountable

SVEN MS-2051 speakers are designed for maximum comfort Dual-band satellites can be easily mounted on the wall. With this solution, you can achieve optimal speaker placement in the space, resulting in an even better sound experience.
