

## Speakers SVEN PS-370, 40W Waterproof, Bluetooth (black)

Ref: 6438162020408

Speakers SVEN PS-370, 40W Waterproof, Bluetooth (black)

SVEN PS-370 Speakers, 40W Waterproof, Bluetooth (Black)

The SVEN PS-370 speaker is equipped with a 3600mAh lithium-ion battery, allowing you to enjoy long hours of fun with your favorite rhythms. The speaker offers a wide range of possibilities - you can play music from external devices using the AUX input cable, or you can connect to it via Bluetooth and play music from your phone or connect a pendrive - the speaker also supports USB flash memory playback. The device also features large 70-millimeter speakers, with a frequency range of 70-20,000Hz, and a supported power of 40W - this is sufficient for both indoor music enjoyment and small gatherings. IPx5 waterproof rating ensures that accidental splashes or light rain won't harm the device.

### Play from Various Devices

For exceptional user comfort, the SVEN PS-370 speaker supports various sound sources. You can enjoy music from external devices using the AUX input cable, or wirelessly through Bluetooth technology. Additionally, support for USB flash memory playback opens up even broader options for choosing favorite tracks. Furthermore, the speaker has a built-in radio, so you can create an impromptu party with rhythms from your favorite station!

### Great Sound Quality

The SVEN PS-370 features 70-millimeter speakers that are perfect for evening relaxation with your favorite music, dates, or home

gatherings! Passive side speakers provide deep and strong bass that enriches the listening experience.

#### Build Ambiance with Atmospheric Lights

The speakers on the sides of the speaker are surrounded by dynamically changing RGB lights, adding an atmosphere during evening music listening, dates, or family gatherings. Add colors to your everyday life with the SVEN PS-370!

#### Not Afraid of Atmospheric Precipitation

In terms of durability, the SVEN PS-370 speakers perform very well. Thanks to the IPX5 waterproof rating, you can enjoy music outdoors without worrying about accidental splashes or rain. IPX5 means protection against rainfall at a rate of 12.5 liters per minute.

#### Handy Companion

The speaker features a convenient handle that makes it easier for you to move from place to place, so you can enjoy music wherever you want.
