Speakers SVEN PS-390, 50W Waterproof, Bluetooth (black)

SVEN PS-390 Speakers, 50W Waterproof, Bluetooth (black).

SVEN PS-390 is a fantastic choice for people who appreciate good sound. Equipped with 85mm speakers and a total output of 50W, these speakers will give you a great experience when listening to a yet-to-be-discovered artist, sinking into your beloved tunes or at a long-awaited house party. Your guests will be impressed by the RGB lights built into the speaker, which change dynamically, bringing life to the walls and faces of your friends. Even if the speaker is accidentally splashed, you don't have to worry - IPX5 water resistance ensures that the device won't be damaged even by light rain. Entertain for up to 10 hours with the SVEN PS-390!

Light up your interior in RGB colors

A home disco? Why not, with the PS-390 it's possible! The speaker is equipped with dynamic RGB lights that shine both in one color and shimmer with a palette of colors, dancing along with you! Feel the fantastic atmosphere and energy with RGB lights!

Rain not so scary

The SVEN PS-390 speaker has IPX5 waterproof status, which means you don't have to worry about accidentally splashing the speaker - even a light rain won't harm this device. You can freely use the speaker both indoors and outdoors without worrying about the effects of light rain.

Always at hand

Not only excellent sound quality, but also exceptional mobility are the strengths of the SVEN PS-390 speaker. A handle built into the speaker's design makes it easy to carry in your hands, and the included strap means you can comfortably sling it over your shoulder.

Play the way you want!

The PS-390 lets you play music traditionally via an AUX plug cable, but also from a MicroSD card and via Bluetooth! Hear the power of possibilities with the SVEN speaker! What's more, the device has a TWS function, which allows you to connect two speakers to one music source, such as a phone. This will achieve surround sound that will help you immerse and sink into the music!

Speaker like a power bank

SVEN PS-390 has two batteries with a capacity of 3600mAh each providing hours of fun, but that's not their only advantage - you can also use the speaker as a power bank and charge your phone, for example!
