Speaker SVEN SPS-705, 40W Bluetooth (black)

Ref: 6438162014254

Speaker SVEN SPS-705, 40W Bluetooth (black)

No matter what music genre you love the most - SVEN SPS-705 speakers will provide you with excellent sound quality regardless of the situation. They are characterized by an output power (RMS) of up to 40W and offer 2 connection methods - using a cable or via Bluetooth. Their additional advantage is the wooden enclosure that gives them a classic, elegant character.

High Sound Quality

What makes SVEN SPS-705 speakers sound so good? Fantastic sound quality is delivered by a 25mm high-frequency driver, a 100mm low-frequency driver, and a specially designed inverter. The impressive output power (RMS) of up to 40W also stands out. All of this allows you to enjoy clean, natural sound, rich in details and powerful bass. Rediscover your favorite songs!

2 Connection Options

You can connect to the speakers in 2 ways. If you prefer, use the included audio cable. Value the freedom provided by wireless solutions? Opt for Bluetooth connection and enjoy fast, stable transmission with a range of up to 10 m. The choice is yours!

Full Sound Control

On the side panel of one of the speakers, you'll find 3 knobs that will allow you to adjust the sound to your preferences even better.

Using them, you can conveniently control the volume, high tones, and bass. Emphasize the most interesting features of your favorite music genres, let yourself be carried away by the music, and discover previously unknown details of the songs you love to listen to!

Thoughtful Design

Thanks to the wooden enclosures made of MDF boards, the speakers look truly impressive. The black color and aluminum details make it easy to incorporate them into almost any arrangement. Moreover, SPS-705 allows for headphone connection, so you can listen to music without any obstacles even at night - without disturbing the peace of other household members.
