

## Speakers SVEN 340 USB (black)

Speakers SVEN 340 USB (black)

Ref: 6438162021399

SVEN 340 USB Speakers (black).

Are you looking for small yet powerful speakers to enhance the sound quality of your computer or laptop? SVEN compact speakers will impress you with great sound quality! The 6-watt output power combined with 47-millimeter drivers guarantees amazing sound. Thanks to magnetic shielding, they do not interfere with other electronic devices in the environment. They connect to the sound source in 2 ways - via a 3.5mm mini-jack connector or via Bluetooth. You can successfully connect them to two devices simultaneously. Minimalist design makes them fit perfectly into almost any interior.

Discover a new dimension of sound

Fill your room with the sounds of your favorite music! SVEN 340 speakers offer an output power of 6 watts, so they'll deliver sound of incredible quality, whether you're listening to music or watching a movie. With a frequency response of 100 Hz to 20,000 Hz, the SVEN 340 speakers perfectly reproduce the entire range of sounds - from deep bass to treble.

User-friendly

SVEN 340 speakers are designed with user-friendliness in mind. The controller integrated into the cable allows you to conveniently switch between the available connection modes - Bluetooth or AUX. With its help you can also mute the sound or adjust the volume to your needs. Thanks to their compact size - 69 x 105 x 64 mm, they will fit perfectly into your work space, and their elegant and minimalist

design makes them perfect for both the office and home.
