Sven KB-C3060 Keyboard (black)

SVEN KB-C3060 is a keyboard that combines performance and convenience. It offers 113 keys with a lifespan of 20 million clicks, while providing soft stroke and precision. With 9 multimedia buttons, operating becomes even more efficient. Adjustable tilt angle and special holes increase comfort, while rubber pads on the bottom prevent slippage.

113 keys for your convenience

The keyboard features a standard layout of 113 keys. It provides a soft stroke to make typing more enjoyable. The 9 multimedia keys make it easy to use, and the numeric keypad is ideal for tasks that require calculations. Browse emails, work, devote yourself to entertainment - everything becomes easier and more enjoyable with the KB-C3060 keyboard!

Refined design with you in mind

SVEN keyboard is distinguished by its robust and practical design. The adjustable tilt angle allows you to adjust the device to your individual preferences, and special drainage holes in the case provide protection against accidental liquid spills and make it easy to keep clean. Rubber pads on the bottom eliminate the risk of slipping on the surface, and legible key markings enhance everyday use.
