XO WL21 Standing Power Strip with Sockets+3USB-A+1USB-C (White)

XO WL21 is a standing power strip that has a total of 8 charging slots: 4 European type sockets, 3 USB-A ports, and 1 USB-C port, so you can charge several devices at the same time and save time waiting for a single socket to become available. The strip has a switch with a light indicator. The whole device weighs about 600 grams and measures 100 x 100 x 158mm. The cable length is 2 meters, so you can move it as needed.
