Nillkin CamShield Pro Case for iPhone 15 Plus (Black)

Ensure your smartphone's protection. Nillkin case protects the device from scratches and allows you to protect your privacy thanks to an additional camera cover, which also protects the lenses from scratches. The case is made from environmentally friendly materials that are resistant to wear.

Protects the Smartphone from Damage

The CamShield Pro case is tailored to the smartphone model, providing convenient access to buttons. Reinforced edges offer additional protection during potential falls, and an extra camera cover helps preserve privacy. For additional positive experiences, the case's rear panel has a pleasant-to-touch texture.

Thoughtful Design

Nillkin CamShield Pro is made from eco-friendly PC and TPU materials. Anti-slip finishing on the sides provides additional protection and ensures the case fits perfectly in hand. Besides, it looks excellent and is pleasant to the touch.
