Nillkin CamShield Silky Silicone Case for iPhone 14/13 (Black)

Constructed from silicone, the case features a practical lens cover that effectively protects it from all kinds of scratches while also helping to maintain privacy. It guarantees protection against scratches and shocks. The integrated magnets allow wireless charging of the smartphone without removing the case. It fits the phone perfectly and has special cutouts for ports and speakers.

Sliding Lens Cover

The case features a specially designed sliding cover, which effectively protects the smartphone camera from scratches and dust. Moreover, it enhances the level of privacy while using the iPhone.

Comfortable Usage

The case is made from silicone that is pleasant to the touch. Moreover, you can easily clean the case as needed - it does not leave fingerprints, sweat marks, or oily stains. It has built-in magnets, meaning you can charge your smartphone with induction chargers without having to remove the case.

Reliable Protection

The CamShield Silky case will not only give your smartphone an elegant character but will also provide a high level of safety. The strong

and durable material will protect your phone from accidental falls. Meanwhile, the microfiber inside the case guarantees protection against scratches and shocks.
