Cygnett OpticShield Tempered Glass for iPhone 14 Pro

Ensure the safety of your smartphone! The tempered glass is designed for iPhone 14 Pro models and reliably protects the entire phone screen from scratches and damage. It is crafted from Japanese tempered glass known for its high durability. With its high touch sensitivity, you can still freely use your smartphone without compromising image quality, allowing you to enjoy vibrant colors and sharpness. All of this gives you confidence that your screen will remain undamaged, even in the case of accidental drops or contact with sharp objects.
