2 in 1 Screen and Lens Tempered Glass Film PULUZ For Insta360 GO 3 (Transparent)

PULUZ 2-in-1 screen and lens protection film Insta360 GO 3 (transparent).

Protect your camera from damage! PULUZ protection film provides comprehensive protection, not only for the display, but also for the lens of the Insta360 GO 3 camera, effectively protecting them from accidental scratches and mechanical damage. Thanks to the high light transmission of 99%, you do not have to worry that the film will negatively affect the image quality. The galvanic coating prevents leaving unsightly fingerprints and greasy stains, and the film's application is extremely easy and bubble-free.
