ENCHEN Enrollor Pro Hair Crimper

Create dazzling waves and impress everyone with a great hairstyle. The ENCHEN hair crimper allows you to style your hair quickly yet safely - don't worry about damaging it. It is also extremely easy and convenient to use. It also allows 3-stage temperature control in the range of 160°C / 180°C / 200°C.

Fast and effective styling

The ENCHEN Enrollor Pro hair crimper will allow you to create the hairstyle of your dreams in just a few moments. It heats up in no time - about 30 seconds is enough. It is equipped with rollers with a diameter of 28mm, which allows you to quickly and effectively style different parts of your hair. Get stunning waves and enjoy long-lasting results!

3-stage temperature control

Enrollor Pro is perfect for different hair types. It provides 3-stage temperature control, so you can easily adjust it to your needs. 160°C

will work well for fine and normal hair. 180°C is suitable for thick and coarse hair. 200°C you can successfully use for professional styling.

Safe for hair

No more worries about damaging your hair during styling. Among other things, the hair crimper's rollers consist of a layer of essential oils and a ceramic layer for optimal care. As a result, hair becomes exceptionally smooth, does not frizz or electrify, and hair styling is no longer a problem!

User-friendly

The device fits perfectly in the hand and is very easy to use. With its help, even novice users will easily conjure up beautiful waves. Moreover, thanks to its carefully thought-out design, the hair crimper housing does not heat up. So you do not have to worry about getting burned.
