USB-C to HDMI, Vention CGUBG, 1,5m (black)

Ref: 6922794742062

Vention USB-C to HDMI Cable, CGUBG, 1.5m (Black)

The Vention CGUBG USB-C to HDMI cable, 1.5m in length and in classic black color, is an excellent solution for those who want to display content from their phone on devices such as projectors or TVs. Thanks to gold-plated HDMI and USB-C ends, this cable ensures a stable and reliable connection, allowing for the display of materials in high 4K, 2K@30Hz resolution.

The durable cable sheath, made of PVC and ABS, guarantees a long life and resistance to damage, making the Vention CGUBG serve you for a long time. Produced by the Vention brand, this cable model combines functionality with reliability, meeting the requirements of even the most demanding users.
