Ref: 5905316148147

Sunnlyife protective case for DJI RC 2

Sunnlyife brand protective case is an indispensable accessory for owners of DJI RC 2 / RC control camera. The product will help to protect the device from damage, for example, during transport. The case is made of durable material that protects the controller from dust and mechanical damage, among other things.

Thoughtful solutions

The case allows you to safely place the controller in it - you don't even have to remove the control sticks. So you can be sure that nothing will be damaged during transport! What's more, the interior of the case is covered with an extra-soft material that allows you to store your equipment without the risk of scratching it.

Minimalist design

Sunnlyife's protective case is not only functional, but also aesthetically pleasing. The case is distinguished by a minimalist design, so it will fit perfectly into almost any style. The accessory is equipped with a practical handle, so you can comfortably move with your controller wherever you need to go.
