Alloy Housing frame Sunnylife for Insta360 GO 3

Ref: 5905316148222

Aluminum Case / Sunnylife frame with mount for Insta360 GO 3.

Are you an extreme sports enthusiast? Or do you like to document your travels? Sunnylife case with mount will surely come in handy for you! With it, you can easily attach your Insta360 GO 3 camera to a bike or car mount to freely record unique shots. The frame is a perfect fit for the camera, ensuring that it stays securely in place during any activity. It reliably protects your device from scratches and bumps - all thanks to its durable aluminum alloy construction. It doesn't block access to ports and buttons, and with two detachable adapters, it allows you to record both vertically and horizontally. What's more, the cold shoe mount will allow you to install additional accessories, i.e. lighting or microphone.
