

Charger Foneng EU25 USB-A 2-Port Charger 2.4A with Lightning Charger Foneng EU25 USB-A 2-Port Charger 2.4A (white)

Foneng EU25 2x USB 2.4A mains charger (white)

The Foneng EU25 network charger is the perfect combination of functionality and performance. It features a built-in Lightning cable and offers 2 USB-A ports for fast and efficient charging of your favorite devices. The universal input voltage of 100-240V means you can use it almost anywhere in the world, and the manufacturing of durable plastic guarantees its long life and resistance to damage.

Safe and robust

The Foneng EU25 charger is designed to ensure safety during use. It features a smart chip that automatically adjusts charging values to the connected device, protecting it from damage. What's more, it uses fire-resistant PC and ABS plastic to further protect both the device and its user from the potential risk of fire or overheating.

Practical solution

The built-in 1-meter Lightning cable allows you to conveniently and quickly charge your iPhone or iPad. This way you don't have to worry about forgetting or losing the cable - with the Foneng EU25 charger you have everything you need in one place.

Compatible with your device

The EU25 is designed with a wide range of compatibility in mind, so you can be sure it will meet your needs, regardless of the type of
