

Wireless earphones TWS Foneng BL132 Air Conduction (black)

Ref: 6970462519348

Wireless earphones TWS Foneng BL132 Air Conduction (black)

TWS Foneng BL132 Air Conduction Wireless Earphones (black).

With the Foneng BL132, your favorite tunes will sound like never before! Air Conduction technology not only provides a natural and balanced sound, but also protects your hearing, even with prolonged use of the earphones. The long runtime of the earphones ensures that your favorite playlist will accompany you for hours, and with Bluetooth 5.3 support, they offer a stable connection over a distance of up to 10 meters.

A well-thought-out solution

The earphones use Air Conduction technology to deliver exceptionally clear and balanced sound quality. Whether you're listening to music, podcasts or making phone calls, you can be sure that the sound will always be top-notch. What's more, the technology minimizes the risk of damaging your hearing, even with prolonged use of the earphones.

Bluetooth 5.3

Connection problems are a thing of the past! TWS Foneng BL132 earphones support the latest version of Bluetooth 5.3 technology, providing a fast and stable connection to the selected device within a range of up to 10 meters, with lower power consumption. The supported Bluetooth protocols - HSP, HFP, A2DP and AVRCP - ensure smooth transmission and compatibility with many devices.

Even more comfort

The ergonomic design of the earphones guarantees maximum comfort, so that even after several hours of use, your ears won't feel discomfort. The lightness and perfect fit to the shape of the ear make the earphones almost imperceptible, allowing you to use them freely in any situation - whether during an intense workout, a walk or a long trip.

Up to 5 hours of operation

With Foneng BL132 earphones, your favorite sounds will always be with you! The built-in rechargeable battery provides up to 4 hours of phone calls or up to 5 hours of music playback. And when it's time to recharge the earphones, the magnetic charging case will allow you to quickly get back to listening to your favorite tunes.
