Discover the power of sound with the HiFuture Gravity speaker, which boasts a total power output of up to 45 watts. It also supports TWS technology and offers multicolor RGB backlighting, making it the perfect companion for any occasion. At the same time, it is IPX7 splash resistant. The device uses Bluetooth 5.3, thus providing reliable transmission over distances of up to 10 meters. Its operating time reaches up to 8 hours on a single charge, and its operation is convenient and intuitive. Take it anywhere and enjoy high-end sound without limitations.

Nurture a passion for music

Fall in love with your favorite playlist even more. The Gravity model offers powerful stereo sound, made possible by a 30-watt woofer and a 15-watt tweeter. As a result, you can fill any room with crystal clear sound and deep bass. In addition, it is possible to combine two Gravity speakers to achieve a stunning surround sound effect. Enrich every party and social gathering with fantastic sound quality with HiFuture!

Fun with colorful backlighting

The HiFuture speaker provides dynamic RGB backlighting to add a visual touch to your party. The device also features a portable design, so you can easily take it wherever you want. Create an unforgettable mood with your loved ones and transform any venue into a club

dance floor.

8 hours with your favorite tunes

Play music for a long time. The HiFuture Grafity speaker is equipped with a 4,000 mAh battery that allows you to enjoy the sound of your favorite tunes for up to 8 hours. Charging time is just 3.5 hours.

One-touch control

Conveniently pair the speaker, manage your music, pause or resume playback, and adjust the volume - all with a single touch in the right place. Experience how easy it is!

Splashproof

Fulfill your dream of having the perfect pool party. The Gravity speaker not only delivers deep bass and clarity of sound, awakening everyone's inner music lover, but it's also IPX7 water resistant. So you can take it with you anywhere - even to the edge of the pool to enjoy your music unhindered.
