Havit H2230D Gaming Headphones 3.5mm (White)

The Havit H2230D are lightweight gaming headphones with a thoughtful design, offering 50mm speakers, protein leather ear cushions with shape memory, surround sound, and more! These headphones feature a detachable microphone that you can reattach when you need it again. In addition, the H2230D has a durable adjustable headband to make gaming marathons as enjoyable as possible.

Lightweight Comfort

The headphones weigh only 242 grams, ensuring high user comfort, also achieved thanks to the thickened headband and ear cushions made of pleasant-to-touch leather and filled with shape-memory foam. The very durable H2230D headband is adjustable, so you can adapt it to the shape of your head, so the headphones fit perfectly.

Custom Speakers

Immerse yourself in the gaming world with Havit headphones - their custom 50mm speakers offer richer high tones, clearer sound, and strong bass, for an even smoother immersion in music, the game's universe. Give yourself unforgettable experiences with the surround sound of Havit H2230D headphones.

Omnidirectional Sound Capture

The headphones are equipped with a detachable microphone with a 3.5mm mini jack end, which captures sound from all directions, so you can effectively communicate with your team. On the headphones, you will find a button to mute the microphone, as well as a volume control knob.

Cross-platform Compatibility

Thanks to the 3.5mm micro jack plug of the Havit H2230D headphones, you can successfully use them in conjunction with a computer, phone, or consoles such as Xbox or PS5.
