

### Cable 4in1 USB 2.0 Vention CTTLLH 1m (black)

4in1 USB cable USB 2.0 Vention CTTLLH 1m (black)

Ref: 6922794774841

Vention CTTLLH 1m 4-in-1 USB 2.0 cable (black).

The Vention CTTLLH is a USB cable that has 3 different connectors - 2 USB-C connectors, one USB-A and one micro-USB. No more carrying around several cables or losing adapters! With CTTLLH you have the most necessary connectors with you. The USB-A and micro-USB adapters are attached to both prongs of the cable so you never lose them or have to look everywhere. Parts of the cable are made of anti-corrosive aluminum alloy, and a cotton braid is seen along the entire length to strengthen the construction. The ends of the cable have been encased to prevent breakage. Fast charging at 100W is also supported.
