

Adapter HDMI female to DisplayPort male Vention HFMH0 8K 60H

Ref: 6922794774780

HDMI female - Display Port male adapter Vention HFMH0 8K (blue)

Vention HFMH0 HDMI Female - Display Port Male Adapter 8K (Blue)

Present the world in exceptional image quality with the Vention HFMH0 HDMI Female - Display Port Male adapter, which offers support for resolutions up to 8K@60Hz and 4K@144Hz. This makes the adapter an ideal choice for gaming enthusiasts, photographers, designers, and video editors who expect immersive and faithful visual experiences.

Integrated Circuit

The adapter is equipped with a built-in integrated circuit, guaranteeing high performance and stable signal transmission. The gold-plated plugs are wear-resistant, ensuring the product's long lifespan, and the aluminum coating effectively dissipates heat, protecting the device from overheating.

Operating Modes

The adapter's functionality is complemented by the ability to use multiple operating modes, such as mirror reflection, extended mode, or MST. These options allow for flexible use of the adapter, whether you plan to create one large display or work on multiple monitors with different content.

Take Care of Your Graphics Card

Vention HFMH0 also offers 12-bit color depth and HDR, which is particularly important for creative industry professionals who depend on precise color reproduction. With the ability to permanently plug the adapter into the female port of the graphics card, you don't have to worry about loosening due to multiple plugging and unplugging. Choosing the Vention HFMH0 adapter, you gain not only high image quality but also versatility, reliability, and stylish design.

Durability
Additionally, the adapter is exceptionally compact, with dimensions of 39.5 x 24.3 x 10mm, making it easy to store and transport. The orange decorative print gives the product a unique character, and the solid aluminum construction guarantees durability and reliability.
