Vention CBLHI USB-A 3.0 Male to Female USB-A Extension Cable 3m

Vention CBLHI is an extension cable with male and female USB-A connectors, operating in the 3.0 standard, which provides a transfer rate of 5Gbps, allowing you to quickly and efficiently transfer files between devices. This cable features a core made of tin-plated copper, an aluminum foil sheath, and a metal braid, all covered with a layer of PVC and a cotton braid - such a construction ensures excellent conductivity while maintaining flexibility. With Vention CBLHI, you no longer have to, for example, bend down to the computer to plug in a pendrive - just plug it into the female connector of the cable. Forget about struggling with plugging cables into hard-to-reach devices - thanks to the extension cable, you can save time and work comfortably from your desk.
