Ref: 6972860171128

Case Telesin waterproof for GoPro Hero 9 / Hero 10 / Hero 11 (GP-WTP-901)

Telesin GP-WTP-901 Waterproof Case for GoPro Hero 9 / 10 / 11 / 12

This practical case for GoPro Hero 9 / 10 / 11 / 12 by Telesin provides water resistance up to a depth of 45m. With its help you will record spectacular underwater shots, which is also made possible by a light transmittance of 95%. Easy to install and durable - it will provide your camera with all-round protection.

Create amazing underwater shots

The Telesin waterproof case will allow you to record unique videos even at considerable depths. It effectively protects your equipment from water. An additional seal provides reliable protection. Moreover, the case is transparent, and the cover for the camera lens is made of tempered glass, so it provides adequate light transmission.

Reliable protection for your camera

The case is also durable and protects your camera from damage. Made of high-grade plastic - it features enhanced drop resistance. Moreover, the silicone pad and sponge mat protect your device from shocks, scratches and other damages.
