

## Mechanical Gaming Keyboard Havit KB875L (Transparent/Black)

Ref: 6939119045999

Mechanical Gaming Keyboard Havit KB875L Transparent

Havit KB875L Mechanical Gaming Keyboard (Clear)

With the Havit KB875L keyboard, you'll gain an advantage in every battle. It comes equipped with 98 keys known for their long lifespan. You can easily customize its performance to your requirements with macro programming and quick switch replacement. The Plug&Play feature allows you to set it up instantly without the need for complex configurations. The detachable USB-C cable makes transportation easier.

Reliability with Every Keystroke

The Havit keyboard will impress you with unmatched precision and smooth operation. With the roll-over feature, you can be confident that every key press will be accurately registered, even during intense gaming sessions. It is equipped with 98 keys with a lifespan of up to 50 million clicks, ensuring reliable performance for many years to come.

Customized for You

The Havit KB875L offers macro programming, allowing you to create complex sequences of actions that you can execute with a single key press, thereby increasing your productivity. The keyboard also allows for quick switch replacement, so you can easily adapt it to your preferences in moments.

### Gaming with a New Look

The Havit KB875L keyboard stands out not only for its impressive performance but also for its aesthetic design. Its transparent casing and keys made of touch-friendly PC material give it a modern and stylish look that will surely catch the eye of many gamers. Its compact design won't take up much space on your desk, and the RGB backlighting will enhance your immersion level during gameplay.
