Dudao L20PRO 4-in-1 Cable, 1m (Black)

The 4-in-1 Dudao L20PRO cable is the perfect choice for people who have multiple devices and chargers with different ports. Thanks to it, you no longer need to use additional cables - just one is enough. The product is equipped with 4 connectors - USB-C and USB-A on one end and USB-C and Lightning on the other. This means it can function as a USB-A to USB-C cable, USB-A to Lightning cable, USB-C to USB-C cable, or USB-C to Lightning cable. Use it as you need and say goodbye to limitations! Furthermore, the nylon braided covering protects the cable from damage and ensures its durability, while its 1m length guarantees user comfort.
