Ref: 6970379616789

Bluetooth headset for calls Dudao U9B, Bluetooth (white)

### Dudao TWS U9B Earbud (White)

Experience high-quality sound. The Dudao TWS U9B earbud allows you to conduct conversations freely and provides clear, natural audio. The Bluetooth 5.0 connection ensures a reliable wireless connection, and the built-in touch panel allows for convenient control. Also, the device is exceptionally light, weighing only 3g.

### Bluetooth 5.0

No need to worry about signal issues disrupting your comfortable conversation. The U9B model uses modern Bluetooth 5.0 technology, providing reliable, fast, and stable connectivity. Forget about lags, delays, and unexpected transmission interruptions!

### Compact Design

The U9B earbud is incredibly light and compact - you won't even feel it in your ear. It offers unparalleled user comfort, even during extended calls. It weighs merely 3g, and its size is only 15mm. Also, enjoy the device's convenient touch control.

### Long Operating Time

Use the earbud as long as you need - don't worry that it will fail you too quickly. The device is equipped with a durable 40mAh battery, providing up to 3 hours of operating time. Moreover, in standby mode, the U9B model lasts up to 180 hours! So, it can always be ready to

serve you.
