PGYTECH Quick Mounting Kit for Action Cameras with Ball Head (P-CG-145)

The PGYTECH Quick Mounting Kit allows you to prepare your action camera for recording or capturing stunning photos in a matter of moments. Its dual locking mechanism ensures that the camera remains in the same position even during intense activities. The compact design allows you to take it with you wherever you need it without any additional burden. With the 1/4" interface, you can easily attach the camera to a tripod, monopod, or other accessories. The ball head is a perfect fit for suction cup mounts and PGYTECH handlebars, providing even greater flexibility in terms of mounting and camera positioning. It is compatible with various action cameras, giving you complete freedom to choose your equipment.

Included in the Kit
