PGYTECH Professional Tripod for Action Cameras (Black)

The PGYTECH tripod is an essential accessory for anyone looking to improve the quality of their photos and videos. It's not only great for capturing unique shots but also perfect for comfortable group selfies. Its lightweight and compact design allows you to take it with you on every journey, and the Cold Shoe adapter makes it easy to mount additional accessories. It is compatible with various popular action cameras, cameras, and even smartphones (smartphone holder not included).

Selfie Stick and Tripod in One

Need to capture a larger group of people? No problem - in an instant, you can transform the tripod into a practical selfie stick! You can extend it up to 47 cm, easily fitting everyone in a single frame. When folded, the selfie stick takes up very little space in your backpack, measuring only 18 cm in length. Furthermore, the ball head allows for angle adjustment within a 145° range, allowing you to experiment with different perspectives and create more creative shots!

Lightweight and Portable Design

Planning a vacation? Or perhaps a mountain expedition with friends? Take the tripod with you to capture exceptional moments for longer! The tripod stands out with its lightweight, compact design, weighing only 274 g. It comes equipped with magnetic feet that allow you to quickly and easily fold it into a small size, which is incredibly useful while traveling. The anti-slip handle provides a secure grip

while recording.

Multiple Possibilities

The PGYTECH tripod features a Cold Shoe mount that enables the attachment of various accessories, such as a microphone or additional lighting. The ¼" thread provides wide compatibility, allowing you to securely attach popular action cameras with a maximum load capacity of up to 1 kg. Moreover, the accessory has a dual locking mechanism, ensuring not only stability but also the safety of your equipment.
