

Helmet mount PGYTECH for sports cameras (P-GM-225)

Ref: 6976100482388

Helmet mount PGYTECH for sports cameras (P-GM-225)

PGYTECH helmet mount with sports camera mount (P-GM-225)

The PGYTECH Helmet Mount with Sports Camera Mount was created for extreme sports enthusiasts, adventure lovers and those who want to capture their experiences in the best possible way. The included 3N VHB straps will make it easy for you to mount the mount on your helmet, and the dual ball heads allow you to adjust the camera's 360° angle. It stands out for its wide compatibility - you can use it in conjunction with GoPro, Insta360, Osmo Action cameras and more. The compact design means you can always have it within easy reach.
