

Neck mount PGYTECH for sports camera (P-GM-153)

Neck mount PGYTECH for sports camera (P-GM-153)

PGYTECH chest mount for sports cameras (P-GM-153)

Record exceptional footage from a first person perspective! The PGYTECH mount is compatible with a range of popular sports cameras. Made from soft, skin-friendly silicone, the mount guarantees maximum wearing comfort without causing any irritation. It is equipped with a quick-release coupling, which allows the camera to be mounted in no time, as well as recording in any position - both vertically and horizontally. The special chest strap ensures stability even during the most dynamic movements, and thanks to its adjustability you can easily adapt it to your needs.
