

## Telesin 3-slot charger + 2 batteries for GoPro Hero 12 / Her

Ref: 6972860172286

Telesin 3-slot charger + 2 batteries for GoPro Hero 11 / Hero 10 / Hero 9

Telesin GP-BTR-903 charger and 2 batteries set for GoPro Hero 12 / Hero 11 / Hero 10 / Hero 9

The Telesin brand charger allows you to quickly charge up to 3 batteries for your GoPro sports camera at the same time. The advanced security system protects them from damage. In turn, the light weight of 27.5 grams and compact size make it great for travel as well. The device is equipped with special LEDs that light up red when charging is in progress and green when it is complete. The kit also includes 2 additional batteries for GoPro Hero 12 / 11 / 10 / 9 cameras, which will allow you to significantly extend the recording time.

Instantly charges your camera's batteries

The charger supports 5V-2A fast charging. It only takes 2 hours to fully charge the included batteries! When it finishes charging, it automatically stops operation, making it more energy-efficient and environmentally friendly.

2 heavy-duty rechargeable batteries included - create even more great shots

The included rechargeable batteries have a capacity of 1750 mAh, which translates into a recording time of up to 112 minutes (when creating 4K/30FPS videos). They are fully compatible with GoPro Hero 12 / 11 / 10 / 9 cameras, as well as the original batteries. With the Telesin brand charger, you can conveniently charge them all together.

Total safety of use

The complex security system means that you can use the product without worry. Among other things, the device is equipped with protection against overcharging, overloading, overvoltage, short circuit and inadequate temperature. Charge your GoPro camera batteries freely - neither they nor the charger are in danger of being damaged!

#### Always at hand

The device is also incredibly handy, lightweight and compact, which makes transporting it not even the slightest problem. Its light weight and dimensions of just 51.7x59.6x20.4 mm allow you to conveniently pack the charger in your backpack, suitcase or handbag, so you can take it with you almost anywhere - outdoors or on vacation. The batteries of your sports camera will always be ready to provide it with energy to create original shots!
