Catlink Baymax 2pc litter box waste bags

Your cat deserves the best care, so make sure you take proper care of the cleanliness of its surroundings. The set consisting of 2 waste bags is dedicated to the Catlink Baymax litter box. The products are made of sturdy plastic with increased thickness, making them resistant to tears and leaks. In addition, built-in strings allow quick and easy closure of the bags - as a result, their replacement is smooth and trouble-free.
