TWS Foneng BL130 Wireless earphones (black)

Hear every detail of your favorite songs. The Foneng BL130 earphones feature 13-millimeter drivers that deliver stunning Hi-Fi-level sound quality. Bluetooth version 5.3 will allow you to enjoy fast and stable transmission, while touch panels provide convenience of use. The equipment also offers noise cancellation and a high-end microphone. Thanks to the ergonomic design and lightness of the earphones, your favorite sounds can accompany you for a long time, and you will not experience discomfort. One charge guarantees up to 6 hours of use, and the BL130 lasts up to 40 hours in standby mode.

A feast for the sense of hearing

Experience the essence of sound. With 13-millimeter drivers, the Foneng BL130 earphones will give you a new appreciation of music. Prepare yourself for a balanced Hi-Fi level sound that resembles in quality the sound guaranteed by original CDs. Dynamic noise reduction also contributes to such a delightful effect, guaranteeing an uncompromising experience for the most demanding audiophiles.

Reliable microphone

Don't give up talking to your loved ones no matter where you are. The Foneng BL130 earphones offer a microphone with -42dB + 3 dB sensitivity that will accurately record your voice, allowing you to communicate freely.

Stable connection

Forget about transmission problems. The Foneng BL130 earphones use Bluetooth version 5.3, while providing a stable, fast and reliable wireless connection over a distance of up to 12 meters. What's more, the pairing process is smooth and hassle-free - when you first connect to your device, the earphones will automatically pair with it when you open the charging case. All for your convenience!

Important functions at your fingertips

You no longer need to reach for your smartphone to manage your music player and incoming calls. The sensitive touch panels of the Foneng BL130 earphones allow for convenient operation. From now on, everything you need is at your fingertips!

Satisfactory working time

Do you spend a lot of time traveling to work or university? Or do you workout and need motivation in the form of your favorite tunes? Opt for earphones that will match your dynamic lifestyle! The BL130 provides 6 hours with your favorite tunes. When you make phone calls, the operating time is about 3.5 hours. In standby mode, the earphones last as long as 40 hours. To renew their energy, you only need 1.5 hours. In addition, the powerful charging case allows you to charge the equipment 3 to 4 times.

Stylish and ergonomic design

The Foneng BL130 earphones not only provide high-end sound, but also look great, so they will perfectly complement almost any styling. Their lightweight and ergonomic design ensures comfortable use. In addition, the charging case weighs only 49 g and measures 50 x 60 mm - so you can easily fit them in your bag and take them anywhere.
