ENCHEN Blackstone-3 Shaver

Get yourself a shaver that is up to any challenge. The ENCHEN Blackstone-3 is IPX7 waterproof and is equipped with 3 cutting heads for fast, efficient shaving. It also has a built-in trimmer and a smart display that provides convenient access to key information. It is also distinguished by a long working time of up to 150 minutes.

Effective shaving

Ensure a fast, effective, yet safe shave. The device from ENCHEN is equipped with 3 movable cutting heads that perfectly adapt to the shape of the face and smoothly glide over the skin, eliminating even the shortest hairs. The blades of the shaver were created from high-quality materials, so you do not have to worry about irritation. What's more, the Blackstone-3 allows you to shave both dry and wet.

IPX7 water resistance

Cleaning the shaver will not even cause you the slightest problem. The device features IPX7 water resistance - even if it falls into water,

nothing will happen! You can easily clean it, thus reducing the risk of bacteria multiplication and skin problems. Don't worry about forgetting to wash the shaver - you will be reminded by special notifications regularly displayed on its screen.

Run time of up to 150 minutes

Enjoy the shaver's long wireless run time. The durable battery means that a fully charged device can serve you for up to 150 minutes! In addition, the included USB-C cable allows you to charge it in about 1.5-2 hours. The shaver also works wired. Even if you forget to charge it, you can just plug it in and shave without any problems!

Reliable performance

The device is equipped with a powerful motor, and its power is 5W. This allows you to enjoy an even more efficient shave. What's more, despite such powerful capabilities, the shaver works surprisingly quietly - its volume level is only about 67dB. But that's not all - thanks to the technological solutions used, the device works at optimal speed even when the battery is low.

Additional amenities

The ENCHEN Blackstone-3 shaver gives you everything you need to style your beard. The device has a built-in practical trimmer that allows you to conveniently yet precisely even out mustaches and sideburns. To use it, all you have to do is press a button! The shaver also has a smart screen that displays cleaning reminders and battery charge percentage, among other things.

The perfect travel companion

Don't pass up the opportunity to style your beard while on a trip. The Blackstone-3 shaver is great for traveling - it's lightweight and handy enough that packing it in your bag won't be a problem. There is also a special lock that will prevent accidental activation of the device during transport. The product is made of durable ABS - you do not have to worry about damaging it.
