

## Car holder Acefast D8 for tablet (black)

Car holder Acefast D8 for tablet (black)

Ref: 6974316281252

Acefast car headrest holder for tablet (black)

The Acefast D8 car mount is perfect for longer trips. It allows you to comfortably watch movies and play games. The folding arms of the holder ensure the safety of passengers while driving, and thanks to the adjustability you will adjust the holder to the width of the headrest. Its installation will not cause you any problems, you can also easily attach a smartphone, tablet or console to it.

Simple and quick installation

Mounting the Acefast car mount will not cause you any problems. All you have to do is hook it to the headrest. What's more, you can adjust the width of the clip to max. 180 mm, so it will fit different types of headrests.

Wide compatibility

Don't be afraid of compatibility problems. The Acefast D8 mount works with smartphones, game consoles and tablets 135-230 mm wide and
