

Multi-function air vent electric car holder Acefast D5 (black)

Ref: 6974316280385

Multi-function air vent electric car holder Acefast D5 (black)

Acefast D5 Multifunction Car Holder (black)

The Acefast D5 Multifunctional Car Mount will allow you to comfortably and safely use navigation or talk on the phone while traveling. Its installation is quick and easy, and thanks to its well-thought-out design, it will not obstruct your visibility while driving. Moreover, you will use it in 2 ways and can choose from several mounting options.

Stability and safety

Don't be afraid of damaging your equipment. The Acefast mount offers a triple locking mechanism to ensure stability, so you don't have to worry about damaging your equipment. In addition, the self-adhesive base is firmly attached to the surface. You can also change its place repeatedly - you can easily clean and mount it.

Tailored to your needs

Acefast D5 car mount fits most models of air vents. You will also successfully attach it to the dashboard or windshield. It allows 360° adjustment, so you can adjust its position to suit your needs. Thoughtful design ensures that the D5 will not obstruct visibility, ensuring safe travel.

Thoughtful design

You will use the Acefast D5 in 2 ways: with or without the handle base. What's more, the silicone finish protects your smartphone from scratches and doesn't obstruct the charging port, so you can easily renew its power. What's more, the release button on the other side makes it easy to remove your device from the holder. In addition, it is compatible with smartphones with a screen diagonal of 4-7" and a thickness not exceeding 18 mm.
