

Air vent electric car holder Acefast D3, magnetic (silver)

Air vent electric car holder Acefast D3, magnetic (silver)

Ref: 6974316280446

Acefast D3 Magnetic Car Holder (silver).

Charge your smartphone and use navigation at the same time. The Acefast car mount is designed with the iPhone 12 series in mind, and offers a number of safety features, making it completely safe to use. You can also adjust the position of your smartphone according to your needs.

Fast, secure charging

The Acefast car mount offers fast 7.5W wireless charging, saving you time. What's more, it's compatible with all iPhone 12-series models. In addition, the D3 provides stability thanks to its strong magnets, and a number of safety features guarantee safe charging. The product detects foreign objects and protects your equipment from overcurrent, short circuit and overheating.

User-friendly

The Acefast D3 is compatible with most air vents, except round ones, and offers a 180° adjustment function. In addition, you can position your smartphone vertically or horizontally for greater freedom of use. What's more, the mount is equipped with a USB-C port and features a blue light indicator to let you know the status of your device.
