

## Multifunctional Laptop Stand Acefast E5 PLUS USB-C (black)

Ref: 6974316281528

Multifunctional Laptop Stand Acefast E5 PLUS USB-C (black)

Acefast E5 PLUS USB-C multifunctional laptop stand (black)

Looking for a multifunctional device to expand your laptop's capabilities? Try the Acefast E5 PLUS with 8 ports, which can serve as a multifunctional device to expand your laptop's capabilities. It's a stand that saves space on your desk and keeps you organized, while offering additional ports such as 2 x USB-C, 2 x USB-A, SD and TF card slots, an HDMI port and RJ45 LAN input. The stand is adjustable and provides stability for your laptop, guaranteeing full comfort at work.

8 additional ports

The Acefast E5 PLUS laptop stand puts at your disposal as many as 8 inputs to make your daily work easier. The USB-C port supports PD 100W fast charging protocols and replenishes the energy of your devices in a short time. In addition to charging, the USB-C port supports data transmission and allows you to transfer files at speeds as high as 5 Gbps. You also have ports for SD and TF memory cards, 1 USB-A port to connect a mouse and keyboard, for example, and an HDMI port that supports 4K video. Take advantage of the E5 PLUS and enjoy the full freedom and extensive capabilities of your own laptop! You'll connect the E5 Plus to your device using the USB-C cable included in the package.

Thoughtful design

The proposed product will not only provide you with 8 additional ports, but will also help you keep your desk tidy and save space. Thanks

to its thoughtful design and silicone finishes, the stand provides efficient heat dissipation and the necessary stability. The pad is foldable, so you can easily store it in your bag or backpack for transport. This is a convenient solution worth testing.
