Wireless charger Budi 330WE, USB-C, 20W (black and white)

#### Budi USB-C 20W Wireless Charger

The Budi charger will allow you to charge several devices simultaneously in a short period of time. It offers USB-A, USB-C and smartwatch charging port inputs. In addition, it supports PD 20W and QC3.0 18W fast charging protocols, so you don't have to wait indefinitely until your equipment is ready to continue charging. In addition, you can fold the plug to make the charger take up less space when storing or transporting.
