

PowerBank Baseus Adaman, 40000mAh, 3xUSB, USB-C 22,5W (Black

Ref: 6932172628048

PowerBank Baseus Adaman, 40000mAh 22,5W (Black)

Powerbank Adaman, Baseus 40000mAh 22.5W (black)

Now you can conveniently charge your devices wherever you go. The 40,000mAh Baseus Adaman powerbank supports various fast charging protocols and uses up to 22.5W of power. It is equipped with an LED display and is lightweight and compact enough to accompany you almost anywhere.

Instant charging

Experience how quickly your devices can be ready for use again. The powerbank supports such fast charging protocols as Huawei 5A SCP, PD 20 W, PD 18 W, PD3.0 20 W QC 3.0 and AFC. This means it can charge the Huawei P30 to 60% in about 30 minutes. What's more, with x1 USB-C and x3 USB-A ports available, you can connect up to 4 devices to it simultaneously.

Capacity of 40,000 mAh

The capacity of the device is 40,000 mAh. This means you can use it to charge an iPhone 13 about 8 times, and a Xiaomi 11 about 5 times. On the other hand, the powerbank will take about 12 hours to charge, thanks to its 18W fast charging.

Built-in LED display

A small digital LED display makes it easy to use the device and provides convenient access to some important information. With it, you

can quickly check the battery charge level, as well as the voltage and amperage in real time. All you have to do is take a look!

A range of safety features

The metal casing makes the product not only look extremely elegant, but also extremely durable. The powerbank has been protected against overcharging, overvoltage, overcurrent and short circuit, among other things. No matter where you go - the Baseus Adaman powerbank will provide power to your devices almost anywhere.
