Magnetic security frame Puluz Insta360 GO 3 / GO 3S with carabiner

Puluz Insta360 GO 3/ GO 3S magnetic security frame with carabiner

Do you use Insta360 GO 3/ GO 3S to create amazing shots? Make your camera safe in any situation. The PULUZ magnetic security frame will help you do that. Made of the best materials, it is very durable and long-lasting. What's more, you will be able to attach it to various magnetic surfaces, creating stunning shots from different perspectives. In addition, with the help of a carabiner you can attach the camera to your bag or jacket, for example, and you will never lose it again! See what PULUZ can offer you.

Thoughtful design

The magnetic protective frame is an excellent solution created especially for Insta360 GO 3/ GO 3S users. Its main advantage is the built-in magnet, which allows you to attach the camera to various metal surfaces, opening up amazing new possibilities for creating shots. In addition, there is a 1/4-inch nut hole at the bottom of the frame, allowing you to connect the camera to a tripod or selfie stick. This allows you to use the Insta360 Go 3 in a variety of scenarios, giving you flexibility and versatility when creating content.

Security Guarantee

The PULUZ magnetic frame is designed to provide complete protection for your camera. Made from a high-quality blend of ABS and PC plastics, it is not only strong, but also durable. It's a shock- and impact-resistant solution that allows you to concentrate on creating memorable shots, knowing that your equipment is fully protected. What's more, you'll find a carabiner included that will allow you to
