Silicone security case for Puluz Insta360 GO 3 with lens cover

Do you want to safely capture interesting moments with your Insta360 GO 3 camera connected to Action Pod? With the PULUZ silicone case it will be possible! Made of excellent quality materials, it ensures the safety of your equipment. You no longer have to worry about accidental drops or bumps. With PULUZ the camera will be fully protected, and you can enjoy creating stunning shots! It also comes with a special lens cover, which further increases the safety of your equipment

Thoughtful design

The thoughtful design of the Insta360 GO 3 silicone camera case is a guarantee of excellent protection. Made of high-quality plastic, it fits perfectly into the shape of your device. Easy installation and removal make the use of this case extremely convenient. Importantly, this gadget does not obscure the camera screen, providing full functionality and comfort.

Safety guarantee

What distinguishes the PULUZ silicone camera case is its exceptional durability and top quality workmanship. The product is resistant to wear and tear, which means that it will serve you for a long time, regardless of the conditions in which you work. It also exhibits shock and impact resistance. You'll also find a lens cover included, so you'll never scratch it again! In addition, you will also find a special wrist lanyard in the box, which makes using the Insta360 camera even more comfortable.
