Case B&W type 3000 for DJI Mavic 3 (black)

Case B&W type 3000 for DJI Mavic 3 (black)

Ref: 4031541748751

DJI Mavic 3 B&W drone case type 3000

This practical case by B&W allows you to safely store your DJI Mavic 3 drone and selected accessories. It is extremely roomy, and thanks to the hard foam insert it provides reliable protection for the devices placed in it. It is also equipped with an additional pocket for documents and small items. Now you can always have everything you need at hand.

Solid construction

The suitcase is made of excellent quality polypropylene, making it extremely durable. It is also distinguished by being IP67 waterproof and dustproof. No dirt will get into it. It will provide reliable protection for your drone regardless of the weather conditions - even in temperatures from -30°C to 80°C. What's more, the automatic valve allows you to safely use it also in environments with high pressure differences.

Spacious

Freely transport your drone and all the necessary accessories. The case is very spacious, and thanks to special compartments it is easy to keep order. It not only holds your Mavic 3, but also smart batteries, a charging hub, ND filters, charger, and camera, among other things. There is an additional pocket in the lid of the case that allows you to store extra propellers, a tablet or documents such as your drone's insurance.

User-friendly

Using the suitcase is extremely convenient. Specially designed latches allow for quick opening and closing. Rubber finish of the handle provides comfort of use and makes the product easy to carry. As many as 2 additional holes allow you to close the case with a padlock (Ø7mm) - thus increasing security and reducing the risk of theft of your drone or accessories.
