

Phone holder / Stand with Dual Ring Light Cygnett (black)

Ref: 0848116029740

Phone holder / Stand with Dual Ring Light Cygnett (black)

Holder / Phone stand with LED lights Cygnett (black)

Do you often record vlogs with your phone? Or do you conduct live broadcasts? If yes, Cygnett has an offer especially for you! The phone stand is equipped with 2 LED lights. It supports up to 3 lighting modes, plus it holds your smartphone stably. A special clamp allows you to mount the device anywhere without any problems, and thanks to the USB port you can conveniently power it. Now you can record without worrying about unfavorable lighting!

Record like a pro

Experience the ease with which you can create professional video footage. The Cygnett stand uses LED lights to help highlight your face in photos and videos, creating a soft glow and eliminating blemishes and shadows. The dual ring lamp design allows you to take photos or videos with more than one person, and with the adjustable handle, you'll adjust the position of your phone to suit your current needs.

Customize the light to your needs

The Cygnett stand offers up to 3 lighting modes, such as warm white, neutral white and cool white. The device also allows you to adjust the color temperature from 3000K to 6500K and 10-step brightness adjustment up to 440 lm. This makes it easy to set the right lighting level and realize your every creative invention.

Convenience of use

Thanks to the portable design of the accessory, you can freely take it with you anywhere and shoot videos conveniently. A special clamp allows you to attach the mount to a table or desk. The product is extremely versatile and will work well with various phone models. This is the perfect gadget for people who need a reliable light for taking selfies, streaming, recording, or taking product or portrait photos.
